### "Frank-n-Miller Report:"

Ed Frank said that SWIB says there are good signs for an increase on December 31. He reminded everyone that it's "decision time" for your health care plan, any changes must be made by October 31. Medicare Health Plan enrollment goes October 15 – December 31. Jim Miller gave a briefing, talked about changes with Dean Care and Navitus. Dean Care Gold no longer covers dental. There's a new plan with a higher deductible for those under 65, read carefully. Things to think about – if you leave the state health plan you can only get back in during the October Choice period. If you are the annuitant and die while you are out, your spouse/partner cannot elect to get back in.

Jim cautioned that there is no one plan that is best, everyone has unique health care needs. The State of Wisconsin Board on Aging and Long Term Care offers good advice. They will first send you a questionnaire, then analyze all of the federally available Medicare plans, and recommend the best plan for you. Contact the [Wisconsin Board on Aging at 855-677-2783](http://www.wisconsin.gov/aging) or [longtermcare.wi.gov](http://longtermcare.wi.gov). Some senior citizen centers and AARP chapter provide the same service.

### Old Business:

Lunch feedback is on the ARC website, thanks to everyone who has responded.

Think about a presentation you might like to give at a one of the upcoming meetings.

New Business:

Sheree said we had trouble lining up a projector for today's presentation. Asked if any members would be willing to donate to buy one for ARC. By a show of hands, two thirds of those present indicated they would donate.

Deaths and Illnesses:

ARC member Joanne Christensen passed away on September 30. She worked for the DNR for 29 years as an administrative secretary at the Madison area office and South Central Region.
